

# 3rd Grade Spanish Immersion News

Week 8 - Oct. 5-9

## Upcoming Dates

- 10/12 Columbus Day – No school!
- 10/12-10/23 – Virtual Fall Book Fair
- 10/15 – Think College Thursday!
- 10/16 – Early Release

## What We're Learning

**Language Arts:** Students will learn to identify and analyze text and graphic features in an informational text as a previewing strategy before reading. They will recognize and evaluate specific details of the text in order to infer the central idea and author's purpose using text evidence. In writing students will analyze the structure and elements of an informational composition.

**Math:** Students will learn some ways to think about subtraction. What strategies can I use to subtract?

**Science:** Students will know physical properties of matter determine how matter is classified, changed, and used.

**Social Studies:** Students will identify and describe the local, state, and national government structure, officials, and services provided by each.

**Reminders:** Free breakfast and lunch until **December 31, 2020 or until program funds are depleted.**

*¡Feliz Semana!*
